Bir Tutkunun Öyküsü... 1965'ten Beri

Yüz yılı aşkın süredir kuyumculuk sanatını benimseyen YAMACHI ailesi; farklı kuşakların birikimlerini aynı tutkuyla mücevherlerine yansıtıyor.

Ailelerin mükemmeli arama ortak değeri nesilden nesile geçmiştir. YAMACHI'nin tüm koleksiyonlarında Anadolu'dan ve Osmanlı İmparatorluğu'ndan geçmiş farklı kültürlerin izleri sembolize edilmiştir.

Bu kültürlerin sentezleri, bu inanılmaz derecede zengin koleksiyonlarda gizlidir. Aşk, mutluluk, dostluk ve paylaşılan tüm anlar YAMACHI Jewelleries'e yansıyor.

YAMACHI Kuyumculuk bugün Arto Yamacıyan'ın yenilikçi vizyonları ile bu ritüeli gelecek nesillere aktarmaya devam ediyor.

"Vizyonumuz mücevher know-how'ını yenilikçi bir şekilde artırarak bu mirası gelecek nesillere aktarmaktır"

## ABOUT US

Story of a passion... Since 1965

The YAMACHI family which have been embracing the jeweller art for more than a hundred years; reflect the savings of different generations onto it's jewelleryes with the same passion.

Families' common value of a quest for perfection is past on from generation to generation. The traces of different cultures that have passed through Anatolia and the Ottoman Empire are symbolized in all of the collections of YAMACHI.

The syntheses of these cultures are hidden in these unbelievably rich collections. The moments of love, happiness, friendship and all the shared moments reflect onto YAMACHI Jewelleryes.

Today, YAMACHI Jewellery is continuing to pass on this ritual to the next generations with the innovative visions of Arto Yamacıyan.

"Our vision is to pass on this inheritance for the next generations by increasing jewellery how-know with an innovative way"

### HAKKIMIZDA

Ediz Dereli” markasının gelişim süreci 1989 yılına kadar uzanır. Perakende mücevherat kuyumculuğu ile başlayan serüvenimiz, 1998 yılında değerli taşlar ve kuyumculuk açısından farklı bir önem arz eden İstanbul Şerephan’da mücevher imalatı ile ivme kazandı. Ayrıca, uzun yıllar zümrüt tedarikçiliği ile devam ettiğimiz iş yaşamımızda, 2003 yılında Tayland ofisimizi açarak safir ve yakut alanında da iddialı olduğumuzu gösterdik. 2016 yılında pırlanta tedarikine başladık. Şimdilerde Rusya, Dubai, Hong Kong ve Avrupa’da hızla ilerliyoruz. Ayrıca 2019 yılında çıplak taslarımızla montürleri birleştirerek bitmiş ürün yapmaya başladık.

Elmas ve kıymetli taş tedarik alanında birinci elden ulaşılabilen, standartlara sürekli hizmet veren, bu alandaki ülke sınırlarını aşan, gelişmeleri ve modayı yakından takip eden bir anlayışla Ediz Dereli markasını geleceğe taşıyoruz.
